3. On or about March 17, 2008, respondent entered a plea of guilty to a charge of unlawful surveillance 2: Use/Install Imaging Device for Sexual Arousal, a Class E Felony,

4. Respondent's failure to renew his license for the biennial registration period November 1, 2007 through October 31, 2009, resulted in a lapsed license status and provides grounds to automatically suspend respondent's license to practice dentistry in the State of New Jersey pursuant to N.J.S.A. 45:1-7.1(b).

ACCORDINGLY, IT IS on this 28th day of August, 2008,

ORDERED THAT:

1. Respondent's license to practice dentistry in the State of New Jersey shall be, and hereby is, suspended by operation of N.J.S.A. 45:1-7.1, without a hearing. Any practice of dentistry during the period in which he does not hold an active license shall be deemed the unlicensed practice of dentistry and shall subject respondent to disciplinary action.

2. In the event that respondent seeks reinstatement of his New Jersey license, he shall appear before the Board or a committee of the Board: to establish that he is fit to practice dentistry in this State; to provide information concerning his conviction in New York State; and to demonstrate to the Board's satisfaction that he holds an active, unrestricted license to practice dentistry in New York. The Board reserves the right to deny reinstatement, take disciplinary action and place restrictions and/or limitations upon respondent's license to practice dentistry in the State of New Jersey.
